## VETERINARY SERVICES NOTICE 99-04

**Subject:** Approval of a Button Tag for Use in the Voluntary Scrapie Flock  
Certification Program

**Date:** March 24, 1999

**To:** Directors, VS Regions  
Area Veterinarians in Charge, VS  
Veterinary Medical Officers, VS

The tamper-resistant "Mini Round" button tag produced by Allflex may be used to identify sheep participating in the Voluntary Scrapie Flock Certification Program. The new button tag is constructed in a similar manner as the previously approved flap tag except that there is a button on both sides. The tags will be available in the same colors as the flap tag. The tags should be ordered and handled in the same way as the currently used flap tags.

Producers may use either the button tag or the flap tag to identify animals in their flock or herd. Both types of tags can be used in a single flock or herd. Only one tag shall be applied to an individual animal.
